## **PURPOSE AND POLICY**

The intent of this Standard is to inform residents of restrictions set out by the Amberleigh Village Architectural Committee. The purpose of this Standard is to aid in the enjoyment of your property and maintain the natural beauty of the development. The Architectural Committee has been delegated approval authority by the Board of Directors according to Article VI, Section 6.2 Architectural Control, of the Amberleigh Village Covenants. It is part of the charter of the Architectural Committee to maintain consistency while remaining flexible and open-minded to changes in our community and our lifestyles. The Committee is made up of at least three members appointed by the Board of Directors. The Architectural Committee will meet as required to process current architectural requests. The committee also attends to other relevant business, such as writing or revising this document and considering requests to modify architectural restrictions outlined in the Covenants.

It is also the responsibility of the Architectural Committee to keep this document updated on a periodic basis. Interpretation of the Architectural Covenants and approval or disapproval are handled by the Architectural Committee.

## **HOMEOWNERS**

Each Homeowner is responsible for their mailbox. Each homeowner is also responsible for adherence to the Architectural Standards in order to maintain a neat, clean appearance within Amberleigh Village. Report any problems or violations to the Chairperson of the Architectural Committee.
